WHAT IS AN ESCAPE ROOM?

Experience the perfect blend of puzzle solving and adventure with our unique 60 minute games; 'Ark Raider', 'Mission: Abducted', and new for November 2023, 'A Merry Mayhem'!

Think 'The Crystal Maze' meets Sherlock Holmes as you step into immersive worlds and unforgettable adventure, all with a unique objective that facilitates teamwork, problem-solving, and most importantly - fun!

Explore treacherous jungles and forgotten ancient temples in 'Ark Raider', save the Earth from extra-terrestrial threat in 'Mission: Abducted', and rescue a Christmas gone wrong in 'A Merry Mayhem'.

WHAT MAKES ESCAPE ROOMS THE PERFECT CHOICE FOR YOU

At LevelUp Escapes, we take escape rooms seriously and are committed to providing cutting-edge, highly exciting experiences. Part of this is diving deep into the science and psychology of each game to carefully craft a room that not only allows players to flex their mental muscles but also strengthens their interpersonal skills and gives them a real sense of achievement - all while having a blast!

Much like many jobs, escape rooms have teams working towards a common goal that requires every member of the team to get involved, share ideas, and manage their time while working against the clock. The high-pressure but low-stakes environment gives players the opportunity to see the real-time effects and successes of their actions, providing a real sense of achievement and boosting morale. Our puzzles are designed to promote unique lateral thinking, creativity, and quick decision-making - all traits that we find come in very handy in the workplace and beyond!

BEYOND TEAMBUILDING

There's a lot that you can tell about a person from the way they approach a puzzle, and even more so an entire room of puzzles!

In addition to teambuilding events, we offer interview packages at Levelup Escapes for a unique insight into your candidates. Imagine if instead of just asking your interviewee about a time they worked under pressure you could see them do it in real-time before you make your decision!

Through our games, you can assess communication styles, collaboration, and levels of contribution - who naturally takes control? What management styles do they display? Through your candidate's approach to each puzzle, you can test their observation, perception, and analytical skills while pinpointing any areas for improvement both individually and as a group.

TESTIMONIAL

"We had an incredible time escaping from your rooms at LevelUp Escapes. Having personally experienced both rooms, I must say that the Alien Abducted escape room is a fantastic choice for team building – it's immersive and interactive, creating a memorable bonding experience. Our conversations about the adventure didn't end even after we left; everyone had an absolute blast. Thank you for the unforgettable experience.

We're eagerly looking forward to hearing more about your upcoming Christmas theme, as mentioned.

~Karen"

Can we reserve our slot without payment?

At LevelUp Escapes we understand the need for flexibility when organising an event. We can hold sessions without payment for 24 hours, or alternatively secure bookings made at least 2 weeks in advance with just a 25% deposit. Need approval from your financial team? Will we start together?

Absolutely! Our team can tailor events to your specific requirements, including adjusting start times so that multiple rooms can play simultaneously! This is typically done by arranging for the games to begin at the midpoint between bookings, for example, starting at 6:30pm rather than 6:20pm and 6:40pm respectively.
