# About Us

## Out of Bounds Immersive

Shrewsbury-based businesses LevelUp Escapes and The Axe Factor, seek to offer Shrewsbury's most **IMMERSIVE** recreation and entertainment activities.

Opening in November 2022, LevelUp Escapes has become a leader in the region's escape room market, hosting 4 state-of-the-art rooms, including the highly acclaimed *Mission: Abducted*, ranked in the *Top 100 Best Escape Rooms* by [escapethereview.co.uk](http://escapethereview.co.uk).

Building on this success, LevelUp Escapes is excited to launch its second annual Christmas-themed room, *The Snowbound Express*, which looks to showcase our expertise in technical know-how, artistry, and storytelling.

LevelUp Escape's sister company, The Axe Factor, aims to put a modern twist on traditional axe throwing. While incorporating traditional elements of the sport, the use of advanced *Champ Throw* technology is what sets us apart.

**CHAMP THROW** projects targets onto our wooden boards across a variety of nearly 20 games - including Bullseye, Tic-Tac-Toe, and Whack-A-Mole. Infrared sensors are able to automatically keep track of scores providing a seamless experience.
